

Hilfsassistentenz

The Ambizione project-*The Art of Reason in the Middle Ages. Visualizing reason and rational thought (11th-15th centuries)*, under direction of Dr. Antonia Martínez Ruipérez and funded by the Swiss National Science Foundation, invites applications for the post of **Research Assistant** (working load of 30%).

Application Deadline: 5th October 2024.

Start date: 15th October 2024, or by arrangement and expected to be limited until June 14, 2025.

Areas of responsibility:

- Creation and maintenance of an image database.
- Support in scientific research.
- Procurement of image material.

Requirements:

- Advanced Bachelor's degree or Master's degree in Art History or related areas (i.e. Humanities).
- Strong interest in Medieval Art and History of Medieval Thought.
- Basic knowledge of Latin.
- Fluent in English and German. Knowledge of additional languages will be well appreciated.

Applicants should send their application (cover letter and CV) as a PDF document to: antonia.martinezruiperez@unibas.ch. Interviews to the candidates will start from 11th October 2024.

If you have any questions, please contact Dr. Martínez Ruipérez: antonia.martinezruiperez@unibas.ch
